Bring the family and have a great day at the Santa Ana Star Center on July 12

The Santa Ana Star Center will host a Community Open House on Saturday, July 12 from 10 a.m. to 3 p.m. This event is FREE and open to the public.

“We would not be here without the support of our community, and this event is an opportunity for us to say ‘thank you’ to our patrons,” said Star Center General Manager Matt Burcham.

Families can have lots of fun at the Star Center on the 12th. Activities will include:

- Live entertainment from local bands
- Special “Select-A-Seat” season ticket event for the New Mexico Scorpions
- Appearances by New Mexico Scorpions hockey and New Mexico Wildcats football players, as well as Rage in the Cage Mixed Martial Arts fighters (tentative)
- Behind-the-scenes tours of the facility, including the backstage area and Scorpions Hockey locker room
- LOTS of fun activities for kids
- Silent auction of concert and hockey merchandise to benefit local charities
- Hourly prize pack giveaways
- AND MORE!

The event is designed to give people a behind-the-scenes view of the Star Center, and also provide families with a great event they can enjoy together, according to Burcham.

“We’re going to hold an ‘indoor lawn concert’ by putting the football team’s turf down near the stage inside the bowl, so people can sit and listen to some great entertainment out of the wonderful New Mexico July heat,” Burcham said.

“We have the best indoor entertainment facility in the state of New Mexico and we are proud to show it off to the public,” Burcham said. “We hope everyone in the community will join us for this great event. If you’ve never been to the Star Center, now is the perfect time.”

For more information about the Community Open House, please call (505) 891-7300 ext. 0.
